

MODEL GTSCALE

REFRIGERANT CHARGING SCALE

The GemTech REFRIGERANT CHARGE SCALE is the ideal choice for field service work. The scale has established a new benchmark in quality and affordability. The 4900 Refrigerant Charge Scale offers patented strain gauge technology, delivering the accuracy and dependability to get the job done right.

The Refrigerant Charge Scale offers the highest accuracy available: +/- .25 oz. (10 g.). The slip resistant platform handles all types of refrigerant cylinders with ease. This accuracy and flexibility makes the GemTech Refrigerant Charging Scale ideal for charging and recovering all types of refrigerants.
